Dear Chairman Kauffman:

Please accept this letter of support for candidate James G. Brooker for the Board of Directors in his bid for the position of Director at Large for the International Code Council.

Mr. Brooker has continuously shown his commitment and dedication to Building Safety throughout his career. BOAG encourages the Nominations Committee to support him as the next Director at Large for the International Code Council.

As First Vice President of BOAG, I have worked alongside James for many years. I have found that he has demonstrated his longstanding commitment to the success of our profession, having served with numerous chapters, the Georgia State Codes Advisory Committee, Code Development Committees, as well as his tireless service promoting careers in building safety at local, state, and national levels. His dedication and commitment to the purpose and intent of ICC standards, goals and ethics is to be commended.

Given the opportunity, we believe he is well prepared to be a good steward for the health of ICC. Thank you for your consideration.
