SUBJECT: LETTER OF SUPPORT FOR ELECTION OF MR. JAMES BROOKER - ICC BOARD OF DIRECTORS AS A DIRECTOR AT LARGE

Dear Chairman Tom and ICC Nomination Committee,

I am writing on behalf of James Brooker to express my support who is seeking election to the ICC Board of Directors as a Director at Large. I personally met and got to know James at the 2025 ICC Leadership Week in Orlando, FL and understand his commitment to ICC. James and I served as panelists at the Leadership Forum, and I was truly moved and impressed by his professionalism and his discussion about his upbringing, the challenges he has overcome, and the experiences that shaped him into a leader in the building code industry.

With over three decades of dedicated experience in the construction industry and more than two decades in Code Enforment roles - James has developed a firm understanding, commitment, and passion to the building code field and I am confident he will contribute tremendously to an ICC Board of Directors position. Throughout his career, James has been deeply committed to the advancement, implementation, and accessibility of building codes that safeguard the health, safety, and welfare of the public. His leadership record speaks for itself - serving as a panelist at the Chapter Leadership Academy, current President of the Building Officials Association of Georgia, and Past President of the Northeast Georgia Inspectors Association. These roles highlight both his professional expertise and his dedication to service within our industry.

When elected, I am confident James will be a thoughtful, effective, and engaged voice on the Board - one grounded in real-world experience and dedicated to supporting ICC members across jurisdictions of all sizes. I fully support his candidacy and encourage others to join me in doing the same.

Sincerely,

Julissa Garcia, CID
