RE: Letter of Interest – International Code Council Board of Directors

Dear Bill Bryant and Nominating Committee:

I am writing this letter to formally announce my candidacy to run for reelection to the International Code Council, Board of Directors. I believe that the past 3 years along with my prior body of work of the past 26 years in the Building Services Industry, and in particular the past 8-10 years, has laid a firm foundation to build upon, and prepared me to take this step.

I have an understanding of the time commitments that are associated with being a member of the Board of Directors as well as what it will take when serving on the Executive Committee.

I am including my letter of jurisdictional support from Clackamas County Oregon where I serve as a Commercial Plans Examiner in the Building Division. I will also be submitting subsequent letters of support as they are received throughout the coming months.

The past 2 ½ years, while serving on the ICC Board of Directors I have had the pleasure of being a member of the following committees, Awards, Honorary, Resolutions, CEO Evaluations & Audit. My liaisons have been to chapters in Oregon, Idaho, Nevada, Northern California, Region I & Region II, along with the Sustainability Membership Council, AIA Net Zero Advocacy Group, California Building Safety Group, ISPSC CLA & PHTA/ICC Education Task Force.

My prior service on the IAS Board of Directors, CCAC, ICC Health Care Committee, EDC Commercial Exam Development Committee, BMC Education Task Force, Region II Board, OBOA Education Chair, & Codes Committee, have all given me great experience and provided the desire to continue my service with a second term on the ICC Board of Directors.

I look forward to and have a true desire to continue to serve on the ICC Board of Directors. Integrity, Honesty, Fiscal Responsibility, Teamwork & Dedication will continue to guide me.

Respectfully Submitted,

James W. "Jim" Sayers
