Dear Nominating Committee Chair Cindy Davis & Committee,

It is with great pleasure that the City of Oregon City supports Jim Sayers as a Director for the International Code Council (ICC), and further, supports him as he endeavors to be elected as the Secretary/Treasurer of the ICC Board of Directors at the ICC Annual Conference in St Louis.

Mr. Sayers' dedication to his trade, both as the Oregon City Building Official and to the ICC Board of Directors is commendable and the City recognizes the importance of individuals taking the initiative to be a leader in their organization.

The City of Oregon City is aware of the time commitment that is involved with this support and feels that Mr. Sayers has shown that he is fully capable of maintaining his duties with the City while serving as a Director on the ICC Board and as an Officer on the ICC Board.

Sincerely,

Aquilla Hurd-Ravich
Community Development Director
