Re: Jim Sayer

Dear Mr. Bryant and Nominating Committee Members,

It is my distinct privilege to write to you today bearing greetings and best wishes on behalf of the members of the Building Officials Association of Florida (BOAF). As you may be aware, BOAF is the Florida Chapter of the International Code Council (ICC).

During our June 7, 2021 at our Annual Business Meeting the membership present voted unanimously to recommend reelection of Mr. James Sayer to serve as Director at Large for the International Code Council. This recommendation is based upon his outstanding contribution to our organization not only during his recent term of service, but for many years.

We have carefully reviewed Mr. Sayer's resume, credentials, and past performance, and believe her contribution exemplifies the best and highest aspects of our profession and that he will be outstanding as a continuing officer for our organization. As previously stated, this belief is based upon his exceptional past record of service to ICC and to our profession for many years. We sincerely hope that the members of the Nominating Committee will agree.

Sincerely,

Kathleen Croteau, CBO
President
