Dear ICC Board,

It is my pleasure to earnestly recommend James W. "Jim" Sayers for the role of ICC Board Secretary/Treasurer. I believe that Mr. Sayers' experience and passion for his role as a Building Official make him an excellent choice for this board position. There is no doubt that ICC would benefit greatly from his extensive knowledge and any new ideas that he may bring forth to further progress the ICC and any projects that he may be a part of. His attention to detail will be highlighted in this position and prove his capability once again, as he has proven throughout his career.

Once again, the Code Officials of Lower Alabama organization fully supports James W. "Jim" Sayers and his candidacy for Secretary/Treasurer.

Jeremy Stewart

President of Code Officials of Lower Alabama
