Sir,

Re: Letter of recommendation

As president of ICC Midwest Region V and on the behalf of our members in region V, we consider it a great honor and it is our pleasure to announce our chapter's support of Jim Sayers for the office of Director at large, he exemplifies the leadership qualities needed to take our association into the future. His thoughtfulness and persistence to improve the association is a huge benefit to us all.

Take Care,

**James J. Straws CBI, CFI, CPE**  
**Region V President**
