RE: ICC Board Nomination

Dear Chairman Bryant and Members of the Committee:

As President of the North Central Washington, (NCW), Chapter of the International Code Council I am writing in support of Jim Sayers for re-election to ICC Board of Directors at the 2021 Annual Business Meeting in Pittsburg, Pennsylvania. His nomination was discussed by the NCW at our March 2021 meeting and a unanimous consensus was given by the membership to support him in this endeavor.

Mr. Sayers is well known in the industry and to our chapter through his work with ICC Region II. He has proven his dedication as a code official that has excelled himself in the industry as a Building Designer, Inspector, Building official and Plans Examiner. He continues to support and mentor upcoming code professionals within the various areas of code administration. Mr. Sayers recognizes the purpose of code development and the development process. During Mr. Sayers two years on the ICC Board, he has continued make decisions that best serve the ICC membership along with the organization as a whole.

The North Central Washington Chapter of ICC supports Mr. Sayers continued service on the ICC Board or Directors, because his experience and dedication would continue to serve the ICC organization and its membership.

Thank you for your consideration.

Sincerely,

Andie Lorenz CBO
President NCWICC
