

**International Code Council
Shasta Cascade Chapter**

LETTER OF SUPPORT

May 17, 2023

Mr. Will Coffman:

This letter of support is for Jim Sayers in his pursuit for the position as Secretary/Treasurer with the ICC Board and has been voted on and approved unanimously by the members of the (SCCICC) Shasta Cascade Chapter of International Code Council.

Jim attends our monthly SCCICC meetings regularly and our Chapter prefers that we know and work with whomever we choose to support. His knowledge and interpretations of building codes in California and neighboring states has added to our Chapter's constant goal for consistency throughout neighboring jurisdictions.

Our Chapter would be happy to assist Mr. Sayers in continuing his work with ICC in any position he may pursue.

Respectfully,

Steve Ayers

President Shasta Cascade Chapter
