SUBJECT: Letter of Recommendation – Mr. James “Jim” Sayers

Dear Nominations Committee,

Mr. Jim Sayers has decided to seek election to the ICC Board of Directors as the Secretary/Treasurer during the upcoming Annual Business Meeting in St. Louis, MO.

With nearly 40 years of experience in the industry, Mr. Sayers has a breadth of knowledge and understanding to offer the ICC and our membership. His experience as both a designer and a code professional provide a unique balance of perspectives from “both sides of the counter”. Additionally, his experience includes not only his recent position on the ICC Board of Directors, but duties within many committees and other organizations in both his personal and professional lives. In the building department he has filled the roles of inspector, plans examiner, and chief building official. This diversity of experience provides him with an exceptional understanding of the unique challenges that we in the building safety industry face, as well as a robust and cultivated resource from which to pull possible solutions from.

I personally had the opportunity to meet with Jim this year at the CALBO Annual Business Meeting in San Diego, California, the ICC Leadership Academy in Tampa, Florida, and the ICC Tri-Chapter (California Bay Area) Annual Business Meeting in Santa Cruz, Ca. On all three occasions Jim represented himself with humble professionalism and exceptional proficiency in all matters from field expertise, to administrative operations, to interpersonal communication skills. I considered Jim to be a friend and mentor after first meeting him, and more so after the subsequent interactions.

Without reservation, The ICC Yosemite Chapter recommends Mr. James “Jim” Sayers for the position of ICC Board of Directors Secretary/Treasurer.

Sincerely,

Danny A. Brown Jr.
President, Yosemite Chapter International Code Council
