ICC Nominating Committee
c/o Dominic Sims, CEO
International Code Council
900 Montclair Road
Birmingham, AL 35213

Dear Committee Members,

The Idaho Association of Building Officials is pleased to endorse the re-election candidacy of Jim Sayers for the position of Director-at-Large on the ICC Board of Directors.

During his tenure, Jim has worked diligently to learn more about the issues that affect local, state, and regional chapters so that he could serve the membership and the organization to the best of his abilities. Jim has communicated well with our Chapter and has worked hard to strengthen Region II as well as our individual chapters. We feel that his continued service can only help both the local chapters and the International Code Council.

We believe that his experience makes him an asset to the Board. The Idaho Association of Building Officials supports Mr. Sayers in his request for election to the position of Director-at-Large for the ICC Board of Directors.

Respectfully,

Justin Goodwin
President, Board of Directors
Idaho Association of Building Officials
