RE: Oregon Building Officials Association (OBOA) Endorsement

Dear Mr. Bryant and Nominating Committee,

Oregon Building Officials Association (OBOA) is pleased to extend our support of Jim Sayers for re-election to the position of Director at Large of the International Code Council.

Jim's credentials, resume, current, and past involvement with OBOA, and his service on the ICC Board of Directors as a Director at Large, make us confident that he understands the issues facing the International Code Council and Code Officials nationwide.

Jim has shown he has heart for this industry and understands the critical importance of the codes. He has dedicated countless hours on the IAS Board of Directors, the Building Council Higher Education Task Force, the Healthcare Committee, and many other Committees and Boards, both nationally and in his own backyard. Jim brings experience, knowledge, strong leadership and most importantly his passion for the important work we do.

OBOA unanimously supports Jim in his re-election as a Director at Large for the International Code Council.

If you have any questions, please feel free to contact me at 503-681-5205.

Sincerely,

Amy Williams
