Dear Mr. Chairman and the International Code Council Nominations Committee,

On behalf of the Board of Directors for Oregon Permit Technicians Association, we would like to express our support for ICC Board of Directors, Mr. Jim Sayers of Clackamas County, Oregon.

Mr. Sayers has been a tireless advocate in raising the profile of the Permit Technician. His support is not only within the State of Oregon, but also throughout Region II and PermitTechNation. Mr. Sayers has proven himself as a fierce supporter for permit technicians with his mentorship.

Our organization is a benefactor of his continuing commitment. Mr. Sayers attendance of our ABM every year to swear in our new Board of Directors, and his commitment includes having one of our own permit technicians, Serena Locke as his board Shadow.

Our organization fully support all that James Sayers has accomplished while representing our state, region and nation and look forward to his future accomplishments on his journey.

Sincerely,

Tiffany Little, President
