RE: ICC Board Nomination

Dear Madam Chair and Members of the Committee:

On behalf of the Washington Association of Building Officials (WABO), I am writing to support the election of Jim Sayers to the ICC Board of Directors for the position of Secretary/Treasurer at the 2023 Annual Business Meeting.

Without question, Mr. Sayer's professional career and qualifications will serve the ICC membership well. Our organization appreciates the value of our close friendship throughout the years. We have come to know Jim as a thoughtful and trusted colleague who has the best interest of ICC and code officials from around the country at heart.

Mr. Sayer's lengthy experience in building administration is critical, but just as important is his willingness to listen to the membership and take the lead on addressing problems head on. As ICC continues to grapple with the changing methods in which we purchase code books and the issues of states looking to revise the code cycle, we feel that his skill set will continue to be an asset to the ICC Board of Directors.

Please accept our support of his candidacy for the International Code Council Board of Directors Secretary/Treasurer.

Sincerely,

Andy Higgins, President
Washington Association of Building Officials
