Distinguished Committee Members,

It is with great honor and respect that I ask you to accept this letter as my formal intent to run for election to the International Code Council Board of Directors, during the upcoming 2022 Annual Business Meeting in Louisville, KY. For your review, I have attached a letter from the jurisdiction that I currently serve, which shows their full support, as well as my resume.

My career as a public servant has consistently been focused on building a safer and stronger community, as well as providing excellent customer service by building and maintaining strong relationships with the community I served, internal and external stakeholders, government officials, and the international code community. While my resume clearly shows the variety of roles that I have held throughout my career, as well as my qualifications and commitment to code education, I would also like to add that I am committed to the vision, mission, and values of the International Code Council.

In addition, during this time I have served the organization as the elected Chair of the Steering Committee of the Major Jurisdiction Committee, as well as the Vice-Chair for the IEBC Code Development Committee for the current code cycle. The time that I have served and dedicated to ICC has been one of the most rewarding times of my career. It will be an honor to represent the International Code Council membership as part of the Board of Directors and use my knowledge and experience to continue to lead the success of the organization.

Please feel free to contact me at any time by phone, at 512-422-8451, or via e-mail at jose.roig@austintexas.gov.

Respectfully,

José G. Roig, CBO, CCEA
Director, Austin Code Department
