Dear Chairman Tom and ICC Nominating Committee,

I am honored to write this letter in strong support of James Brooker's candidacy for the ICC Board of Directors in an at-large position. Throughout his career and ongoing service within the industry, James has exemplified dedication, expertise, and leadership—qualities that I believe will greatly benefit the ICC Board and its members.

James has committed many hours of voluntary service to ICC and its members. Notably, he has served as a Panelist for the Chapter Leadership Academy, where he has generously shared his knowledge and experience to help develop future leaders within the organization. Additionally, he has actively contributed to his State ICC Chapter in various capacities, demonstrating his unwavering commitment to advancing the mission and goals of ICC at the local, state, and national levels.

With over 30 years of construction experience and more than 20 years specifically in Code Administration, James possesses a comprehensive understanding of the technical, regulatory, and practical aspects of building codes and standards. Currently serving as the Building Official for the City of Alpharetta, he effectively manages a team responsible for ensuring the safety, compliance, and integrity of the built environment. His leadership in this role has earned him the respect of colleagues and stakeholders alike.

Beyond his professional responsibilities, James is passionate about education and mentorship. He actively engages with the community by participating in career days at local high schools and supporting Skill USA competitions. Through these efforts, he helps inspire and educate the next generation of Code Officials and construction professionals, fostering a culture of safety, professionalism, and continuous learning.

James's extensive experience, leadership qualities, and dedication to service make him an excellent candidate for the ICC Board of Directors. I am confident that his involvement will bring valuable perspectives and contribute positively to the organization's ongoing growth and success.

If you have any questions or require additional information, please don't hesitate to contact me.
