Attn: Will Coffman
ICC Nominating Committee
International Code Council
900 Montclair Road
Birmingham, AL 35213

Dear Chairperson Spencer,

On behalf of the Town of Ithaca, I am pleased to offer this letter of endorsement for Marty Moseley as a candidate for the International Code Council (ICC) Board of Directors.

Marty is an exemplary Department Head for the Town and manages several staff while also collaborating closely with the other department heads. Marty reports directly to me in my role as Town Supervisor. He has received numerous awards and is known not only within New York State but nationally.

Throughout his service to our community and the broader code enforcement profession, Marty has consistently demonstrated exceptional leadership, integrity, and a deep commitment to public safety. His knowledge of building codes, regulatory compliance, and best practices, combined with his practical, real-world experience, has made him a trusted professional and a respected voice among his peers.

His experience in code administration, dedication to public safety, and collaborative approach to working with local governments and industry professionals make him exceptionally well suited to serve on the ICC Board of Directors. We believe he will contribute meaningfully to the continued success and credibility of the International Code Council.

We, the Town of Ithaca, respectfully and enthusiastically endorse Marty Moseley for election to the ICC Board of Directors, Section E, and encourage members to give him their full consideration and support.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Rod Howe, Town Supervisor
