RE: Election of Michael Savage to ICC Board of Directors

Dear Mr. Tom and Nominating Committee Members:

I am writing this letter, on behalf of Marion County Florida, to state my support for our Building Safety Director/Building Official, Michael L. Savage, Sr. in his endeavor to run for election to the International Code Council (ICC) Board of Directors - Secretary/Treasurer. With Mr. Savage's years of dedicated service to the inspection community and vast experience in local, state and national boards and committees, it is clear that he is a solid fit for the ICC Executive Board and the membership of the Code Council.

Marion County appreciates Mr. Savage's contributions to the Code Council thus far, working to collaborate on behalf of the Code Council with the IAEL, being a member of the Florida Building Commission - Hurricane Research Advisory Committee representing the Code Council, serving as the liaison for the International Accreditation Service (IAS), and serving as Chair of the ICC-ES Board of Managers. Marion County recognizes the importance of the Code Council Board for the inspection industry, as well as the positive impacts that can be realized through its work.

As such, Michael L. Savage Sr. is endorsed for a leadership position on the ICC Executive Board, and supported in his efforts to achieve the Board's mission and goals. Please feel free to contact me by telephone 352-438-2307, or by email at tracy.straub@marionfl.org with any questions.

Sincerely,

Tracy Straub, PE
Assistant County Administrator
