Re: Jurisdictional Letter of Support for Michael L. Savage, Sr.

Dear Mr. Spencer and Nominations Committee Members:

I am pleased to write this letter of support on behalf of the Town of Oakland, Florida for Mike Savage to pursue his election to Vice President of the Board of Directors with the International Code Council. We will fully support Mike in this endeavor.

We recognize the potential value and benefit that Mike's election as the Vice President will bring to the Town, as well as ICC. Mike's past service to the building industry has shown his ability to lead and to serve on state, regional and national boards and he effectively works with our elected officials in the state legislature.

Mike's career has witnessed him consistently protect the health, safety, and welfare by ensuring safe buildings and communities. Mike serves on several BOAF committees where he continues to diligently provides assistance on code committees, and in the adoption of the highest quality codes and standards.
