RE: Election of Michael Savage Sr to ICC Board of Directors

Dear Ms. Davis and Nominating Committee Members:

I am writing this letter, on behalf of Marion County Florida, to state my full support for our Building Safety Director/Building Official, Michael L. Savage, Sr. in his endeavor to run for re-election to the International Code Council (ICC) Board of Directors, as well as for the Executive Committee of the Board. With Mr. Savage's years of service to the inspection community and experience in local, state and national boards and committees, we believe he will continue to be a great fit for the ICC Board and the membership of the Code Council.

Marion County appreciates Mr. Savage's contributions to the Code Council thus far, working to collaborate on behalf of the Code Council with the International Association of Electrical Inspectors (IAEI), being a member of the Florida Building Commission - Hurricane Research Advisory Committee representing the Code Council, serving as the liaison for the International Accreditation Service (IAS), and serving as Chair of the International Code Council Evaluation Service (ICC-ES) Board of Managers. Marion County recognizes the importance of the Code Council Board for the inspection industry as well as the positive impacts that can be realized through its work.

As such, I endorse Mr. Savage Sr's re-election to the ICC Board of Directors and his continued support for its mission and goals. Please feel free to contact me by telephone 352-438-2307, or by email at tracy.straub@marionfl.org with any questions.

Sincerely,

Tracy Straub, PE
Assistant County Administrator
