Re: Support for Michael Savage

Dear Mr. Tom and Esteemed Members of the ICC Nominating Committee,

The Northwest Florida Chapter, of the Building Officials Association of Florida, would like to express our unwavering support for Mr. Michael Savage for Secretary/Treasurer of the ICC Board of Directors. As a Florida Chapter of the International Code Council, our members have had direct involvement with Mr. Savage and are familiar with his dedication in the role of Building Official, as well as his deep convictions to serve the public and promote safety in the built environment. His stellar reputation as a Building Official widely precedes him and he is held in high regard among his peers in the State of Florida. As a Region IX ICC Chapter in good standing, we are also very aware of Mr. Savage's dedication to the membership of the international Code Council, and his service to the members as a Director over the last several years. We strongly encourage the Nominating Committee to nominate Mr. Michael Savage as the next Secretary/Treasurer for the International Code Council Board of Directors.

Sincerely,

Jonathan Bilby, MCP, CFM, ADAC
NWF BOAF Chapter Director
