RE: Michael Savage Nomination Support for the position of Director at Large, on the ICC Board of Directors.

Dear Chairman Davis and Nominating Committee,

The Colorado Chapter of International Code Council takes the request for letters of support by ICC candidates very seriously. We have been a very active chapter in all aspects of ICC and want to ensure that the candidates that we support will help further the succession planning on the ICC Executive and Board of Director levels.

Some things that were heavily considered within our deliberations regarding candidates were: involvement in ICC; active participation with the Colorado Chapter of ICC or their perspective local State chapters; vision for the future; business and goal focus; their energy and ability to get people moving and things happening; diversity; and the committee put a lot of thought into the fact that many of the current board members will be retiring within the next 5 years.

We have reviewed Mr. Savage's resume, credentials, and his performance as an active member of ICC. We believe that his experience and outlook will be an asset to the Board of Directors and the organization. The Colorado Chapter ICC supports Mr. Savage's nomination for the position of Director at Large on the International Code Council Board of Directors.

Respectfully,

Janine Snyder
