RE: Support of Michael Savage, ICC Board of Directors

Dear Madame Chair,

I am writing you as the President of ICC Region X today to support the candidacy of Michael Savage for the ICC Board of Directors. Over the last year, Region X has been in a rebuilding stage post pandemic. Michael's leadership and mentoring to Region X has provided insight and direction as we move forward with reestablishing our regional organization. Michael's experience in code regulation, his dedication and commitment to the betterment of the code community by holding over forty ICC certifications, overseeing a large code organization in a very populous county of Florida that has one of the most unique challenges in code compliance makes him the best choice for the board.

Additionally, Michael's experience with service to the ICC Board, affiliations with numerous Building Code organizations nationally also point to his leadership abilities and commitment to service of the code regulatory universe.

Michael has personally mentored me as I have assumed the role of Director of Code Enforcement for the State of Arkansas providing a wealth of personal experience and insight to running a statewide government enterprise. Michael is always available, approachable and is my go-to person when discussing ICC issues or insight to understanding complicated code related matters.

Region X is proud to give our full support to Michael Savage nomination for reelection to the ICC Board of Directors and look forward to Mike's continued leadership and service to Board and Membership.

Regards,

Lindsay M. Moore
President, ICC Region X
