Letter of Support Request for ICC Board of Director Candidacy

September 13, 2023

Dear ICC Board of Director Candidate Michael Savage,

I hope this message finds you well. I want to extend my heartfelt appreciation for reaching out to me regarding your candidacy for the Board of Directors position with the International Code Council (ICC) and requesting a letter of support for your reelection campaign.

I must first express my sincere enthusiasm for your dedication to this critical role within the ICC, and I have the utmost respect for individuals like you who are willing to take on such responsibilities. Your interest in contributing to the ICC's mission is commendable, and I have no doubt that your passion and expertise will continue to be invaluable to the organization.

However, I regret to inform you that as the President of the Pennsylvania Association of Building Code Officials, I am bound by the association's longstanding practice of not officially endorsing candidates for external positions, including those within the ICC. This policy is in place to ensure neutrality and impartiality within our association, and it's one that we have upheld over the years.

While I am unable to provide a formal letter of support on behalf of the Pennsylvania Association of Building Code Officials, I want to emphasize that my personal admiration for your dedication and qualifications remains unwavering. Having served in the construction and building safety industry for over 17+ years, I understand the significance of your pursuit and the impact you can make in shaping the future of our industry by continuing to serve as an ICC Board of Director.

On a personal note, I would like to extend my very best wishes to you as you continue your reelection campaign for the Board of Directors position with the ICC. Your commitment to advancing the building safety industry is truly commendable, and I genuinely hope that your efforts are met with success. If there is any way I can assist you in a non-official capacity, please feel free to reach out at any time.

Once again, I commend your dedication to improving our industry, and I wish you nothing but the best in your pursuit of the Board of Director position with the International Code Council. Please do not hesitate to contact me if you have any questions. Thank you.

With Best Regards,

Amrinder Singh, CCEA, MCP, CBO
