Dear Ms. Davis:

WICED of VA Board of Directors at its June 2023 board meeting endorsed the reelection of Michael Savage to the International Code Council's Board of Directors.

Mr. Savage has a wealth of knowledge, upholding titles such as Master Code Professional, Certified Building Official and the Building Official and Director overseeing building safety in Marion County, Fl. Mr. Savage exhibits a great level of professionalism and a broad range of experience in the building code industry. His continual dedication to the development of those codes makes him an exceptional candidate to continue serving on the ICC Board of Directors. As an ICC member with involvement in over 12 organizational affiliations over the years, Mr. Savage has served this community in several capacities. Mr. Savage's primary responsibilities on the ICC Board have included Board Liaison to collaborate with IAEE, ASHRAE, IAS, and Liaison to Region's VIII and X, among other duties.

WICED of VA has found Mr. Savage's support and dedication to the code development process instrumental. Mr. Savage has been a long supporter of our organization which supports women in the code profession industry. We have no doubt that Mr. Savage's outstanding leadership qualities, passion for the next generation of code professionals and code knowledge, will continue to be a true asset to the International Code Council and its stakeholders. WICED of VA would greatly appreciate your consideration of the reelection of Mr. Savage to the ICC Board of Directors.

Sincerely,
