EMPLOYMENT HISTORY

Director of Building Code Administration

2007 – Present

Chief Building Official

South Central Planning and Development Commission

Houma, LA

Responsible for building code enforcement for five parishes and four municipalities. A regional based program which has served as the benchmark for efficiency and consistency.

Responsibilities include developing and adhering to annual budget, supervising plans examiners, inspectors, and clerical staff, pursuing legislative interests of the region, attending and updating various Parish Councils on the building code program, representing the region at the Louisiana State Uniform Construction Code Council, and continuing to find innovative ways to further improve the efficiency of the building code program. Responsible for participating in the development and improvement of the governmental software that is currently used

throughout our region for building code enforcement as well as over 100 jurisdictions throughout Louisiana, Mississippi, Texas, Tennessee, Florida, and Kansas. Responsible for the education of builders on code changes and implementation in the region.

Owner/Operator

1999 – 2007

Audubon Builders, LLC
Houma, LA

Louisiana Licensed Residential Contractor with a specialization in custom homes. Managed all aspects of the business including staffing, payroll, scheduling, and accounting. Specialized in homes in the 400K – 700K price range.

EDUCATION

B.S. in Mechanical Engineering – Louisiana State University (1998)
Certified Building Official
Combination Residential Inspector
Commercial Building, Plumbing, and Electrical Inspector
