Dear Mr. Wheeler and Committee Members:

The Wyoming Conference of Building Officials, Chapter of the International Code Council is pleased to endorse the candidacy of Mr. Michael Wich, for the position of President of the International Code Council.

We have reviewed Mr. Wich's resume, credentials and his performance as the current Vice President, Secretary Treasurer, and as a long standing board member for the ICC. We find that he demonstrates a deep understanding of the issues facing the Code Council Family of Solutions nationwide as well as globally and will serve the membership and it's mission of building safety.

We believe that his vision, experience, skill sets, and outlook will continue to lead the ICC into the future. The Wyoming Chapter fully supports Mr. Michael Wich's election to the office of President of the International Code Council.

Respectfully,

Ken Rogers
President
