RE: Michael P. Boso – Candidate for the ICC President position

Dear Chair:

It is a pleasure to provide my support for Michael Boso as a candidate for election to the ICC President position.

In addition to his service on the ICC Board of Directors since September 2017, he has continued to serve the citizens of Grove City with unsurpassed dedication and professionalism. His 33 years of service and dedication to Grove City has been exceptional.

I realize if Michael is elected to the ICC President position, he will gain additional responsibilities and I am confident he will continue to successfully serve both the City of Grove City and the ICC.

I strongly support his nomination and truly appreciate your consideration.

Kind Regards,
