Dear Chairman Tom and Members of the Nominating Committee:

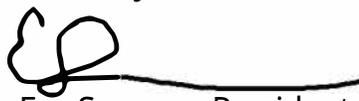

On behalf of the Building Officials Association of Florida (BOAF), a State Chapter of ICC, it is my distinct privilege to extend our greetings and best wishes.

At our June 2, 2025 meeting, the BOAF Nominating Committee formally recommended support for Mike Boso for the position of President. This recommendation was presented to our membership during the business meeting, where it received unanimous approval.

Our support is grounded in Mr. Boso's outstanding record of leadership and his unwavering commitment to the mission and values of ICC. After a thorough review of his résumé, credentials, and significant professional contributions, we are confident that his vision, experience, and dedication will continue to advance the organization. His exemplary service, integrity, and proven results reflect the highest standards of our profession.

We respectfully urge the Nominating Committee to give full consideration to Mr. Boso's candidacy. We are certain he will serve ICC with the same passion, excellence, and professionalism he has consistently demonstrated throughout his career.

Sincerely,

Eve Spencer, President
