Dear Past President Davis:

I write to you today in support of Michael P. Boso in his candidacy for the position of ICC Secretary/Treasurer for the Board of Directors. I've had the pleasure of knowing and working with Mike over the last 25 years. He is a consummate professional, organized and thoughtful, specifically in his application and knowledge of the ICC Code series.

Mike's career as a Certified Building Official, Inspector and Tradesman gives him the unique perspective for interpreting the ICC Codes from a variety of angles. To compliment his professional experience, Mike has developed strong relationships through his vast experience representing the ICC through various leadership positions and with the Ohio Building Officials Association. This involvement has helped Mike to become a highly respected advocate and influencer in the areas of construction safety.

Finally, Mike has been a trusted advisor to me on building and development legislative items. He has always been a thoughtful sounding board on topics involving the building profession.

Please contact me directly at 614-726-0999 with any specific questions. I hope you will join me in supporting Mike and his candidacy to become the ICC Treasurer/Secretary.

Sincerely,
