Re: Letter of Support- Mr. Michael Boso

Dear Chairman Davis,

The Southern Tier Building Officials Association (STBOA) is a chapter of the New York State Building Officials Conference (NYSBOC) as well as, a chapter of the International Code Council (ICC). Accordingly, and on behalf of STBOA, I offer our continued support to the candidacy of Michael Boso, for election to the ICC Board of Directors as Secretary-Treasurer.

Mike has served the ICC in a multitude of positions over the course of the last decade and has served on numerous Boards and Committees within the State of Ohio. We realize and appreciate Mikes commitment to the Code and Code Officials in the Code Enforcement profession.

It is my hope & belief, and that of STBOA, that Michael will continue to serve the ICC in the capacity as Secretary-Treasurer and continue his devotion to code professionals and to code development everywhere.

Please accept our endorsement of Michael Boso.

Sincerely,

William Knickerbocker
