To whom it may concern;

The Board members of Oakland County Building Officials in Southeast Michigan have met and discussed the resume and bio for Michael Boso. At the conclusion of our meeting we unanimously agreed to support Michael's nomination to the office of Secretary/Treasurer.

Over the years Michael has shown his dedication to ICC and the members of Region V. His passion for his work with ICC and the members is another reason that he would be a great asset to the ICC Leadership team. The residents of Grove City are fortunate to have a leader like Mike devoting the time he has to assure that the city is a safe place to live and work.

He has taken time out of his busy schedule to attend some of our local events we hold for the change of officers.

We look forward to working with Michael in the future.

Sincerely,
Michael Viazanko
President, OCBOA
