Mr. Tom and Mr. Coffman,

I am submitting herewith, my intent to run for election for the 2026 ICC Board of Directors for an At-Large seat. Accompanying this Notice of Intent, is a letter of jurisdictional support from the City of Salinas and a current resume. I trust that my professional experience, business and technical expertise, and my extensive experience with the International Code Council and its preceding organization, the International Conference of Building Officials, makes me a viable candidate for this position.

Sincerely,
