Subject: Letter of Support for Steven McDaniel for the position of Vice President on the International Code Council Board of Directors

September 16, 2025

Dear Chairperson Tom,

On behalf of the membership of the Finger Lakes Building Officials Association (FLBOA) of New York, we proudly and enthusiastically endorse Steve McDaniel for the position of Vice President on the International Code Council Board of Directors. The Finger Lakes Building Officials Association was formed in 1978 and serves Code Enforcement Officials in a nine-county area in Upstate New York. FLBOA is a proud Chapter of the International Code Council.

Steve is a proven leader in New York State, ICC Region IV and nationally in the development and advancement of building and fire safety codes and the code enforcement profession. His ability to foster collaboration, engage stakeholders, and drive consensus is truly commendable. He has a proven track record of successfully managing teams and projects and working with New York State Officials to further enhance the safety of New Yorkers through effective code development. His attention to detail is beyond compare.

Steve has been a member of FLBOA for nearly 30 years and was elected to our Board of Directors six years ago; a position he continues to hold. We have benefited from his dedication, intellect, and work ethic and we are confident that he will provide the same level of dedication to the position of ICC Vice President.

Thank you for considering Mr. McDaniel for this position. I trust that you will give his application the utmost consideration. Please feel free to contact me if you require any further information or if I can be of further assistance (585) 721 0552.

Respectfully,

Terry W. Rech, President

Finger Lakes Building Officials Association (FLBOA)
