

**2014 Public Comment Hearing Individual Consideration Agenda Hearing Order
to be used in conjunction with the
2014 Online Governmental Consensus Vote**

The following is the hearing order for code change proposals heard at the 2014 Public Comment Hearing (PCH). This hearing order has been compiled to identify how the results from the Online Governmental Consensus Vote (OGCV) will determine the Final Action on the 2014 Code Change Proposals to the 2012 IgCC. Be sure to read the [ICC announcement](#) which explains the OGCV process.

The Final Action on code change proposals listed under IgCC Chapters 1, 3, 4 and 5 (GG6-14 through GG217-14) will be determined solely based on the results of the Online Governmental Consensus Vote.

The Final Action on code change proposals listed under IgCC Chapters 6, 7, 8, 9, 10 and the Appendices (GEW5-14 through GG338-14) will be determined based on the combined vote tally from the Public Comment Hearing and the Online Governmental Consensus Vote.
