Dear Mr. Stuart Tom:

The Upper Great Plains Region III Chapter is pleased to support Rachel Parrish for Direct At Large on the ICC Board of Directors. We believe that Rachel is highly qualified to serve on the ICC Board of Directors and will be dedicated to advancing ICC's mission of ensuring building safety.

Rachel has extensive ICC experience as Secretary and Chair of the Building Membership Council, Secretary of the Steering Committee, Codes and Standards Council Chair, and presenter at the 2024 Annual Conference, supported by an MBA, a Master of Science in Engineering, and an ICC Master Code Professional certification. Her private sector background and more than eight years with the City of San Antonio have prepared her to effectively serve ICC members.

Thank you for your consideration of our endorsement for Rachel Parrish

Sincerely,

Roger Schemmel, CBO  
President, Upper Great Plains Region III Chapter
