Registration is now open for the International Code Council Committee Action Hearings

The virtual hearings will review proposed changes to the 2024 International Codes

WHAT: The International Code Council will conduct the 2021 Committee Action Hearings (CAH) for Group A Codes virtually for the first time in the organization's history. This year's code hearings offer code officials, architects, builders, engineers, and fire and energy conservation professionals the opportunity to provide input on proposed code changes to the Group A International Codes.

WHEN: April 11—May 5, 2021

WHERE: Online. The proceedings will be live streamed at web link. Attendees will be able to soon [sign up here](#) to receive text message updates about the progress of code change hearings.

ATTEND: Sessions are open to the media and public. Registration is required to participate or view. Please [register at no cost here](#).
