Dear Chairman Tom and ICC Nominating Committee,

I am proud to support Rachel Parrish in her candidacy for the ICC Board of Directors. She has been an active member of our chapter since its inception and has most recently served as the Chair of the Building Safety Month Committee and the Nominating Committee. During her tenure as Chair of the Building Safety Month Committee, the Alamo Chapter gathered over half of the Building Safety Month Proclamations given in the state of Texas and began the annual Building Safety Month event in which speakers are brought in to discuss various safety issues within the building industry to education both jurisdictional employees and the public.

Rachel has been a dedicated member of ICC, and she is vocal about current ICC events at the national level. She has brought new and active members to ICC and promotes involvement in all her positions. Her professionalism and dedication are why I am eager to support her in her candidacy. Rachel will bring great insight and passion for the ICC mission to the Board of Directors.

Sincerely,

*Amin Tohmaz*
