Dear Chairman Tom and ICC Nominating Committee:

The ICC Region XI Board of Directors would like to express our support for Jack Applegate for the position of Director at Large for the ICC Board of Directors. He has shown dedication to serve and proven his commitment at the local and national level. We believe that if reelected to the board he will continue to support the efforts of the International Code Council to provide the highest quality codes, standards and services for the safety and welfare of all people in the built environment.

Respectfully,
