Registration Now Open for Preeminent Annual Building Safety Event

The International Code Council's 2024 Annual Conference, Expo and Hearings provide unparalleled opportunities for training, networking and collaboration

Washington D.C. – Registration is now open for the International Code Council's Annual Conference, Expo and Hearings to be held in Long Beach, California, from October 20-31, 2024. This year's conference offers industry-leading educational sessions, networking events, insightful keynote speakers and opportunities to volunteer in the local community. In addition, the Code Council will celebrate its [30 year anniversary](#) with a special exhibit commemorating the organization's history. Immediately following the conference is the second Committee Acting Hearings for Group A of the 2027 International Codes

Early bird discounts end on Monday, September 16. [Register now](#) to receive the discount and a conference polo.

Conference attendees will have the opportunity to expand their knowledge and expertise through networking events and insight sessions where they can earn free CEUs. ESPN Host and Paralympic Gold Medalist Victoria Arlen will be speaking on inspiration and innovation, and Artificial Intelligence and Digital Transformation Expert and Bestselling Author Erik Qualman will speak on digital leadership. For more information, visit www.iccsafe.org/conference.

“For our 30th anniversary, the Code Council's is planning an expanded annual event that will bring together some of the brightest minds in the building safety industry,” said Code Council Chief Executive Officer Dominic Sims, CBO. “Please join us in Long Beach for more sessions, more speakers, and more CEUs than ever before. Come celebrate this momentous occasion and learn about the latest in emerging technologies, technical code and standards topics, offsite construction and more.”

Returning for its second year, the [Building Safety Leadership Experience](#) offers Code Council members an exclusive opportunity to advance their career, network with other building safety professionals, and gain insights into leadership opportunities. The experience includes complimentary registration to the annual event and reimbursement for associated travel costs. Applications are now open. The deadline to apply is Friday, June 14.

A thank you to this year's sponsors, including 4Leaf, Inc., Lowe's Services, Bureau Veritas, Cast Iron Soil Pipe Institute, Clariti, Cloudpermit, OpenGov, PermitTechNation, Plastic Pipe and Fittings Association and Spatial Data Logic. To learn more about sponsorship opportunities, [click here](#).
