Dear Ms. Davis:

Please accept this letter expressing my interest in candidacy for the ICC Board of Directors. As detailed in my resume, I have over 30 years of code enforcement experience. I became involved with BOCA, attending my first code hearing in 1995 and have stayed involved ever since. I was there every step of the way through the transition to the ICC and have served on a dozen ICC committees over the last two decades. My active involvement with ICC committees and the code development process has given me the experience and skills necessary to qualify me for board service. As expressed in the letter of support from Deputy County Administrator Jesse Smith P.E., I have the full support of Chesterfield County to serve on the ICC Board of Directors if elected.

I look forward to meeting with the Nominating Committee to discuss the needs of the ICC, my qualifications, and my potential nomination for board service.

Best Regards,

Ronald W. Clements Jr., CBO
