Re: 2022 Nominating Committee Candidate Consideration

Dear Chairman,

I wish to announce my intent to seek re-election to a second 3 year term on the ICC Board of Directors, Section D at the 2022 ABM in Louisville, Kentucky. The past Four years of my Service to this Membership on the Board of Directors has been a rewarding experience, as we have seen the highs of 2018 & 2019 and lows of 2020 & 2021. The lessons learned will help us lead the International Code Council into the future with a Vision. The 2025 Strategic Plan, a Voice for our members, stakeholders and partners as we move forward adding Value to our Family of Solutions. My history of experience provide continuity to a progressive program with additional investment and I wish to continue this service to the membership and this organization on the ICC Board of Directors, Section D for a second 3 year term.

I have the support of my Department Director, Mr. Gary Feck (letter attached) and I have also attached a brief resume of my work history, education, awards, volunteer service and accomplishments. I look forward to this opportunity to continue my service to the ICC Membership.

Thank You, Chairman Wheeler and Distinguished Members of the Nominating Committee for your consideration.
