Distinguished Nominating Committee Members,

I am writing to formally request consideration for the position of At Large member of the Board of Directors for the International Code Council at the 2024 Annual Business Meeting in Long Beach, California.

It has been an honor to serve in several capacities over the past few years, including Chairman of the IAS Board of Directors, Chairman of the ICC Major Jurisdiction Membership Council, Past President of ICC Region I, and as an active member of the ICC Southern Nevada Chapter. These roles have prepared me well for the next step of seeking an At Large position on the ICC Board of Directors. I understand the significant commitment required to serve on the ICC Board of Directors and am fully prepared to meet those responsibilities.

Throughout my career, I have continuously educated myself on all relevant issues to make informed decisions that serve the best interests of the organization and its members. My experience spans over ten years as a Building Official in the public sector and over twenty-five years of private engineering experience, including serving as a Board member of a national engineering firm with financial and operational responsibility along with international business experience. This diverse background has equipped me with the insights needed to help lead the ICC organization effectively.

It would be a privilege to continue serving the members of the International Code Council and the organization as a member of the Board. I appreciate the Committee's consideration and seek your recommendation for the position of At Large Board of Director member.

Please feel free to contact me by phone at (702) 203-6278 or by email at sdpalmer1996@gmail.com. Thank you for your consideration, and I look forward to seeing the Committee in Long Beach.

Respectfully,

Sam Palmer, PE, CBO/CFM
