Dear Chairman Wich,

This letter is to affirm full jurisdictional support for Sam Palmer, PE, CBO, CFM, as a candidate for the International Code Council Board of Directors.

I had the pleasure of working with Sam Palmer at the Clark County, Nevada Building Department for five years. Sam was well respected by staff and the local building community. He always stressed the importance of good communication with our industry partners, and through those partnerships was able to ensure that many of the iconic buildings along the Las Vegas Strip were among the safest in the world.

In addition to his work with the Southern Nevada Chapter of the ICC (President 2018), Nevada Organization of Building Officials, and ICC Region I (President 2022), Sam has served on the Major Jurisdictions Committee and was awarded the prestigious Gerald H. Jones Code Official of the Year Award in 2022.

Locally, Sam worked to educate the next generation of industry professionals and has been very dedicated to providing training and scholarships to local students. Through his work with the Southern Nevada Chapter of the ICC, over \$50,000 in scholarships were awarded to local high school and college students in 2023.

I strongly believe that Sam would make a valuable addition to the International Code Council Board of Directors and am pleased to offer my endorsement. Should you have any questions please feel free to contact me at (760) 323-8221.

Regards,

Dana MacAllister CBO, MCP
