Jay Elbetta, Chairman  
ICC Nominating Committee  
c/o Dominic Sims, CEO  
International Code Council  
900 Montclair Road  
Birmingham, AL 35213

Distinguished Committee Members:

It has been an honor to be a part of the International Code Council for the past 15 plus years, and to serve as Director for the past year. Please accept this letter as my formal request to the 2019 Nominating Committee of my intent to seek election for an at-large position to the International Code Council's Board of Directors during the 2019 Annual Business Meeting in Las Vegas, Nevada.

My jurisdiction is supportive and understands the importance of the ICC and has afforded me the opportunity to serve on the Board of Directors.

I have attached a brief resume which demonstrates my longstanding commitment to the success of our profession. I believe that you will see that my past, present and continued devotion and dedication to the built environment as well as my governmental experience locally and nationally is worthy of review by you and your distinguished review committee.

It will be an honor to continue to serve the members of the International Code Council. I would appreciate the Committee's consideration and seek the privilege of their recommendation to the ICC membership. Please feel free to contact me by cell phone (607) 654-3868, or by email at [codes@cityofcorning.com](mailto:codes@cityofcorning.com) to discuss why I should be a part of the list of candidates that receive your support.

Sincerely,

Steven L. McDaniel, CPCA
