Subject: Candidacy for Vice President of the International Code Council

Dear Chairman Tom and Members of the Nominating Committee,

I am honored to submit my candidacy for the position of Vice President of the International Code Council (ICC). Having had the privilege to serve on the ICC Board of Directors, I have dedicated myself to advancing the organization's mission, fostering collaboration among members, and ensuring that all voices are heard in shaping the future of building safety and code development.

As Vice President, I will build on this foundation by prioritizing:

- Promote Inclusion and Collaboration - Continue building and strengthening relationships across ICC regions, chapters, and professional organizations to foster a more unified and engaged membership that promotes a culture of unity and shared purpose.
- Code Adoption and Development - Support initiatives that encourage widespread and effective code adoption while advocating for the integrity and transparency of the code development process.
- Strengthen ICC's Leadership and Influence - Work alongside fellow Board members, ICC leadership, and stakeholders to ensure ICC remains at the forefront of building safety, resilience, and sustainability efforts worldwide.

I have attached a resume which demonstrates my longstanding commitment to the success of our profession. This resume is longer than usual because it is designed to provide the nominating committee with the necessary information to support their evaluation process. I believe that you will see that my past, present and continued devotion and dedication to the built environment as well as my leadership locally and nationally is worthy of review by you and your distinguished review committee.

My commitment to ICC and its members is unwavering, and I am dedicated to serving with integrity, accessibility, and a forward-thinking vision. I appreciate the Nominating Committee's time and consideration and look forward to further discussing my qualifications and vision for this role.

Thank you for your dedication to this important process and for your service to ICC. I look forward to the opportunity to continue contributing to the success and growth of our organization.

Sincerely,

Steven L. McDaniel, CPCA
