Stewart Tom:

The City of Corning is committed to the development of the ICC Codes and supports staff participation in order to reach that goal. The City is aware of the commitments and activities of the Board Members and values them with the highest regard. I am pleased to support the efforts of Steven McDaniel in seeking election to the Vice President of the International Code Council. Steve has served as my Code Official for the past 29 years. Steve's dedication to the community, his staff, the fire service and the citizens of the City of Corning is exceptional. His knowledge and qualifications are of the highest caliber. Steve is widely accepted and considered as a code expert and is an ideal candidate for you're your organization.

The City of Corning is very supportive of Steve and I would respectfully ask for your support of him as a candidate for Vice President of International Code Council. The ICC membership will be well served by his leadership ability, dedication and professionalism.

Sincerely,

Mark L. Ryckman
City Manager
