To Ms. Cindy Davis, Nominating Committee Chair and fellow members,

On behalf of the membership of the Finger Lakes Building Officials Association (FLBOA) of New York, we enthusiastically and strongly endorse Steven McDaniel for a three-year term on the Board of Directors of the International Code Council. Steven is a proven leader within New York State, ICC Region IV and Nationally in the development and advancement of building and fire safety codes and the Code Enforcement profession. His ability to foster collaboration, engage stakeholders, and drive consensus is truly commendable. He has a proven track record of successfully managing teams and projects, and I am confident that he will continue to bring the same level of effectiveness and professionalism to the International Code Council. Steve's understanding of the issues and the needs for the ICC and believe that his election will best serve the ICC and its membership.

As a Member and Director of our organization for many years we have benefited from his dedication to whatever task he undertakes and we are confident that he has provided the same dedication to his current position on the Board of Directors of the ICC and will continue to excel when he is elected to a three-year term on the Board.
