RE: Steven McDaniel Letter of Recommendation  
International Code Council Board of Directors

Dear Madame Chair:

I write to you today to express my support for Steve McDaniel for the at large position on the International Code Council Board of Directors.

Over the last three years, Steve has been an excellent advocate and advisor to reinvigorate the ICC Region 10 chapter which has suffered many challenges since the beginning of the pandemic. As the newly elected chair for the region, Steve has provided me guidance, experience, wisdom, and support as region 10 begins the rebuilding process to better assist and support the ICC membership with our mission to train, educate, and recognize the work being performed by code professionals of our region. Steve has played a key role in bringing us in touch with stakeholders in the region and has been a champion for fostering and promoting the diversity in the code professional workplace. With every encounter, Steve represents the commitment and support that is needed by code professionals from the ICC Board for us to not only perform our job, but to excel at a level of professionalism that is second to none.

It is my sincere hope and request that Steve continues his work on the Board of Directors to promote the standard of excellence that his service brings to the ICC membership.

Sincerely,

Lindsay Moore  
Region 10 President
