Dear Chair Tom,

On behalf of New Hampshire Building Officials Association (NHBOA), which represents code professionals, design professionals and construction industry experts of New Hampshire, we express our support for Steve McDaniel for Vice President to the International Code Council's Board of Directors.

Steve has a distinguished professional career in the building construction and building codes administration professions as well as serving on several local, state and national associations, boards, councils and committees including with the ICC. Currently Mike serves as Vice President with the ICC Board of Directors and has been an excellent representative of the Board as well as a valued resource for NHBOA.

NHBOA unanimously supports Steve McDaniel for Vice President to the International Code Council's Board of Directors.

Respectfully,

Tim Herlihy, President
New Hampshire Building Officials Association (NHBOA)
